## Commodore's Report

February is here and boating is in the air! Or should I say in the water – or at Lumen Field? In particular, the Seattle Boat Show starts at the Lumen Field Convention Center on Friday, February 3<sup>rd</sup>, and runs through Saturday, February 11<sup>th</sup>. If you haven't yet signed up to staff the Tyee Booth, check out VC Rick's report – or just click this link: [Boat Show Signup!](#) There is still time!

And, speaking of link clicking, here are a couple of others you should check out to register for upcoming cruise activities: the Heavy Weather Weekend at Bremerton Yacht Club (YC), February 17-19, and the Tacoma Daffodil Marine Festival, April 14-16. Both of these are fun cruise-ins where we get to mix and mingle with a bevy of other Puget Sound clubs. Both have moorage for visiting boats, but it can fill up, so you will want to register as soon as possible. I'm looking forward to having a hearty contingent of Tyee members at both! Here are those links:

[Bremerton YC Heavy Weather Weekend](#)

[Tacoma YC Daffodil Marine Festival](#) – [Boat Registration](#) (to request moorage)

And, to hit on a recurring theme, I encourage all members to participate in any and all events you can! This is where the intangible value in being a member of Tyee comes from. In particular, I want to reemphasize that volunteering with the club can help build those personal bonds that translate into great cruising friendships, as well as the satisfaction of helping keep our club and facilities running smoothly. A volunteer commitment need not be a big one. Signing up for the Boat Show, as mentioned above, is a great start. Similarly, joining in with one of our upcoming work parties is a fun way to socialize while getting outside and seeing the fruits of your labor. Check out RC Kaler's report for more details on these. And, finally, there are a variety of volunteer positions to help manage all of the various activities needed to keep the club working. Several of these are open right now: including a Board of Trustees position, Bar Manager, Reciprocals Manager, Cruise Captains, and Regatta Chair. Moreover, we will be starting the process of nominating candidates for the 2023-24 Club Year in the coming month, so consider one of the elected positions, including

## Board Chair's Report

Greetings Tyee Members!

February is the boat show and a big focus for us in our yearly recruiting. There is so much to see and do at the boat show, including our booth where we talk to prospective members. Please help Rick out with signing up for a shift or even two! We have a nice new all finished clubhouse on Bainbridge, but our best recruiting asset is you, our incredible members, and how much you like boating.

## Vice Commodore's Report

Ahoy Tyee!

The 2023 Tyee cruising and activity calendar is filling up fast! See the Fleet Captain's schedule for details about monthly sunset cruises, as well as significant inter-club events.

Of course, the most immediate event of consequence is the Seattle Boat Show from February 3<sup>rd</sup> to the 11<sup>th</sup>! As in years past, Tyee will maintain a membership advocacy booth for the duration of the show. We have had a very positive response from our members in volunteering for booth duty, but we still need some more. Please look at the sign-up tool posted [here](#). Booth volunteers will get free access to the show and will enjoy the deep appreciation from all of our members. More info on some of the key attractions and associated schedules can be found [here](#).

Related to the boat show, we will have our annual Tyee Dock Party at the Tyee main station clubhouse on March 5<sup>th</sup> (*note that this has moved out 1 week to accommodate some schedule issues*). We invite all members to join us for a appetizers/finger-food potluck to introduce prospective members to the facilities and expose them to the friendly and openhearted folks of Tyee Yacht Club. There will also be some beer, wine, and other non-alcoholic beverages to ensure we can wash down the varied victuals. Please come and socialize!

At the February Dinner Meeting, we will welcome a number of prospective members/guests and will be swearing in some new members! Our newest Tyee members include John and Deb Seger (who are PCs from Everett YC), as well as Brett and Jasa Davis. Both couples attended the great New Year's Eve bash at our beloved Eagle Harbor outstation and were captivated by our convivial spirit and joyous approach to cruising. Sign up soon to attend and help us celebrate our new and old members alike.

In closing, Kim and I wish you all safe and secure cruising in 2023 and look forward to seeing you out on the water and frolicking about on the hard!

Maritime Cheers!

Rick Nolte

*Vice Commodore, Tyee Yacht Club*

## Rear Commodore's Report

Hello Tyee Family,

I hope this report finds you well and that you've gotten into the groove of the new year. These mid-winter days might seem slow but there's plenty of activity happening on the water and much more around the corner.

My Grand 14 Class of 2025 – the Sandpipers – met up with the Salty Dogs ('24) and the Kingfishers ('23) at the Queen City Yacht Club outstation on Bainbridge the second weekend of January. The cruise was well attended in anticipation of the weekend's main event: a roast of the current commodores. Each club's commodore took a turn as the roastee while the rest of the bridge shared jokes, jabs, and even genuine praise to their club's leaders. The commodores took the jokes in good humor and even managed to get in a jab or two of their own. The next event, the Poulsbo Yacht Club Junior Officer's Ball the last weekend of January should be just as fun. The theme is rodeo! YeeHAW!

The Seattle Boat Show is here once again and as always, I'm looking forward to promoting Tyee and signing up new members at the event. I have been attending the "Big Show" since I was twelve years old and it is truly a highlight of my year. I hope to see you there.

Spring is just around the corner and, just like your home and your garden, it's never too early to get a jump on preparing your Tyee main station and outstation for the upcoming season. There are two spring clean-up work parties to put on your calendars:

**March 31<sup>st</sup> – April 2<sup>nd</sup>: Tyee West Spring Clean-up Work Party.** We'll need volunteers to inspect the property and to perform general maintenance and clean-up.

**April 21<sup>st</sup> – April 23<sup>rd</sup>: Tyee East Spring Clean-up Work Party.** Let's spruce up our main station before opening day!

As the proverb goes, many hands make light work. We can do things more quickly and easily when we work together, not to mention the fun time hanging out with your Tyee friends. Mark your calendars and keep an eye out for volunteer emails soon.

Kaler Wise,  
Rear Commodore, Tyee Yacht Club

## Tyee Sick Bay

Happy February to the Tyee Family!

February is the month of Mardi Gras, Lincoln's birthday, Valentine's Day and Presidents Day. My favorite day is Valentine's: a LOVE day. Wouldn't it be fun to call someone in Tyee that we haven't seen for a while and tell them we miss them and love them? Give it a try, I know I will. This is one of my best reports, everyone is on the mend and I haven't heard of any illness or surgeries. If anyone has, PLEASE, PLEASE call or text me, I know my phone is working.

## WIC Report

The WIC Past Presidents and WIC Representatives Christmas Party scheduled to be held in December was canceled because of snow but was held on January 19<sup>th</sup>. No snow this time to keep us from getting together at Tacoma YC! We had a delightful gathering with a lovely luncheon, raffle, gift exchange, and some great WIC camaraderie. The next WIC luncheon will be held at Queen City YC on Thursday, February 16<sup>th</sup>. The speaker will be David Williams, naturalist and author who will tell us about the natural history around Puget Sound. Social hour begins at 11:00am and lunch of Asian Chicken, Salad, Fruits, Siu Bao and Tiramisu will be served at noon. The cost to attend is \$20.00. Reserve your spot by February 10<sup>th</sup> by sending a check to me at 9327 215th St SW, Edmonds, WA 98020.

These luncheons provide a wonderful opportunity to get acquainted with many members from the Grand 14 yacht clubs. The schedule for the upcoming WIC Luncheons are: Everett YC March 16, Gig Harbor YC April 18, and Rainier YC May 11.

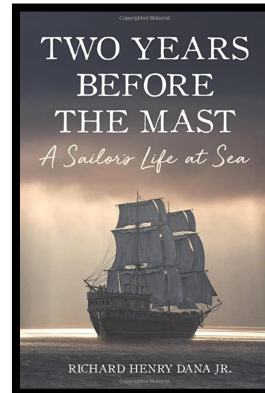

Lani Hassenstab

WIC Representative for Tyee & Past WIC President

## Tyee Book Club

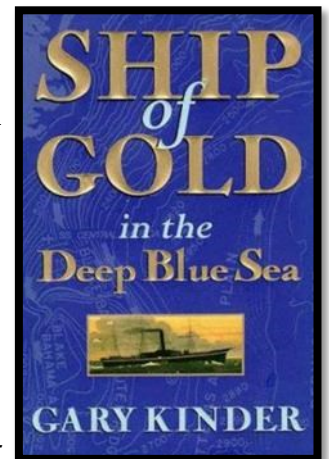

The Tyee Book Club has adjusted the meeting schedule to every other month: same time (7pm) & same day (Thursday). See the event calendar on the website for Zoom links.

The next meeting is **Thursday, March 23**, at 7pm to discuss the book *Two Years Before the Mast*, a memoir by the American author Richard Henry

Dana Jr., published in 1840, written after a two-year sea voyage from Boston to California on a merchant ship starting in 1834.

We will meet again on **Thursday, May 25**, at 7pm to discuss *Ship of Gold in the Deep Blue Sea* by Gary Kinder. This book is written by a friend of Alan Scott's. It is the true story of the recovery operation from the SS Central America and all of its treasure. *Ship of Gold in the Deep Blue Sea* tells the story of the sinking of the SS Central America, a side-wheel steamer carrying nearly six hundred passengers returning from the California Gold Rush, two hundred miles off the Carolina coast in September 1857. Over four hundred lives and twenty-one tons of California gold were lost. It was the worst peacetime disaster at sea in American history, a tragedy that remained lost in legend for over a century. We will be inviting the author to attend our meeting. We hope many Tyee members can come and enjoy this interesting experience.
